The Twenty-Ninth Annual Benefit Concert for The Bar Harbor Music Festival

at Saint Peter's Church in Lithgow

Bar Harbor Music Festival Flourishing in its 52nd Year

"Maine's Premier Music Festival"
— WGBH Classical New England/Boston

"...one of New England's great music festivals"
— Nan Lincoln, The Bar Harbor Times

Acclaimed by Phi Beta Kappa as "...one of the nation's proving grounds for gifted young artists," the Bar Harbor Music Festival, founded by violinist Francis Fortier in 1967, has been acclaimed for its unique and pioneering work on behalf of young artists.

The festival has made a major contribution to the music world by advancing the careers of over 2,100 aspiring instrumentalists, singers, and composers. Coupled with our "Arts and Tourism" initiatives, it has provided a vital cultural and economic service for the community and visitors from all over the world.

The 2018, 52nd Season, will be remembered as the best ever, filled with inspiring artistry, exhilarating lecture-demonstrations, and enchanting Young Audience Concerts.

The Festival's outreach programs, such as the admission-free outdoor concerts in Acadia National Park, artist-in-residence programs in American schools, colleges, and universities, as well as Young Audience Concerts, and have won new audiences for classical music and fostered music education.

Its annual Summer Festival and Touring Program have reached audiences totaling over one million. This clearly is an indication of the Festival's growing popularity as music lovers gravitate to this musical gem in the spectacular setting of Bar Harbor, Maine.
